

# Make it a December to Remember with ACN's December Bonus Promotions

The following bonus promotions are available to all North American Independent Business Owners with a start date between December 1 and December 31.

**Earn ETT and acquire 20 Customer Points in first 30 days\*** → = **\$1,000**

You must be a qualified ETT with 20 Personal Customer Points\*\* and 1 qualified TT in two separate legs at any level

\* Bonuses will be paid within 30 days, following qualification for the bonus or once all services have been successfully connected.

\*\* Mobile World Customer Points will not count toward earning the bonus.

**In December, Let ACN's Digital Phone Service Family Plan Promotion Help You Acquire the Customer Points You Need to Get Your Business Off to a Fast Start!**

Each Digital Phone Service customer counts as...

**PLUS**

Each Video Phone Family Plan line ordered between December 1 and December 31 will count as **3 customer points!**

ACN Family Plan lines are only \$1.99 a month per line!\*\*\*\*

→ **2 Customer Points!\*\*\***  
(One preferred customer)

→ **Totaling 5 Customer Points!\*\*\***  
(One preferred customer)

## Why add a Family Plan?

- It makes the perfect gift this holiday season, connecting people to the ones they love
- College students can keep in touch with best friends from high school
- Take it with you when you travel to see your children every night
- Have an instant family reunion when you can't afford to travel
- Make it the dedicated grandparents line for your children

\*\*\*For U.S. qualifications this is one preferred customer. In Canada, one account of the same service up to 4 points from the IBO's household can be used toward TT qualifications.

ACN will review the Personal Customer Lists of bonus recipients and their directly sponsored Team Trainers to ensure validity of each customer.

Independent Business Owners who are found to have invalid customers may be subject to disciplinary action, which may include immediate termination. Team Trainers who are on hold do not count toward upline qualifications. An IBO's start date is determined by either the date of payment of their TT application fee or the first customer entry date.

\*\*\*\*A video phone must be purchased for each Family Plan line. Family Plan Video Phones are only \$189/phone.
